Remarks:

FIG. 19

Figure 1 shows a screenshot of a software application titled "Signature Caller Scribble Pad". The application window has a title bar with the text "Signature Caller Scribble Pad" and a small icon on the right. The main area of the window is a large rectangle with a dotted border, containing a handwritten signature that appears to be "Broth". Below this area is a horizontal bar containing two buttons labeled "Done" and "Clear". Reference numerals are used to identify specific parts: 184 points to the main drawing area, 186 points to the bottom bar, and 188 points to the "Clear" button.
